## Honoring Women, Leveraging My Inner Gifts to Thrive

“What we really want to do is what we are really meant to do. When we do what we are meant to do, money comes to us, doors open for us, we feel useful, and the work we do feels like play.”

—Julia Cameron

**Date:** October 6, 2011

Come join our outstanding panel as we explore ways to **realize your inner gifts, leverage your gifts and discover ways to thrive**. Panel members will share how they mustered the courage needed to explore and pursue what they were meant to do, and how they dealt with their fears to take the journey required to reach their dreams, goals and destination.

You'll have an opportunity to **make new connections**, participate in small groups and **learn new ways to leverage your inner gifts**. You'll **leave inspired and energized** by the unique ideas you've gained and **innovative strategies** to leverage your inner gifts to thrive.
