Please join HWW for a social with members and potential members for networking, light refreshments, and a tour of our new office. You'll enjoy great conversations, meet new friends and connect with women you haven't seen for awhile.

We'll discuss this year's HWW goals and objectives and provide ways for you to get involved. **You'll leave having made new personal and business connections, learn about new opportunities for you and energized to make a greater impact** for yourself and our community.
